MONDAY 31 JULY 2023

CCC P&C GENERAL MEETING

MEET FROM 6.45PM FOR 7.00PM START

Central Coast Council of Parent's & Citizen's Association (CCC P&C) cordially invites members from all Central Coast P&C's to attend our Term 3 General Meeting.

We have a jam-packed evening planned. Our special guests will be Tim McCallum, Executive Director Regional North, as well as senior members of the Central Coast's DoE leadership team who will be available to provide educational updates and answer questions.

Also, guest speakers, Sharon Gudu (ED, SPX – Student and Parent Experience) and Steve Harris (DEL, Glenrock Principal Network), will be providing a presentation around supporting parents and students in attendance matters. This will include a quick workshop.

A highlight of the evening will be the presentation from the host principal, Rebecca Cooper, as well light refreshments being available.

Agenda items and your P&C updates are to be provided to cccpanc@gmail.com by 24 July.

If you wish to attend this meeting, please register via EMAIL to cccpanc@gmail.com by no later than 12.00 noon, Friday 28 July.

For the well-being of others, if you are unwell, even with the mildest flu-like or Covid symptoms, you **must not** attend this meeting.

We encourage you to come along, participate, and connect on 31 July. Together we can grow and build a brighter future for all students on the Central Coast and find out how other P&C's are engaging with their school communities. We look forward to welcoming and seeing you at **Brisbane Water Secondary College, Woy Woy Campus.**

Don't forget to register via EMAIL or TEXT by 28 July. We look forward to seeing you on **31 July at Brisbane Water Secondary College!**

Our email address is cccpanc@gmail.com for comments, questions, and correspondence.

Meet your P&C representatives and Department of Education Senior Leadership Team

Network with interested parents who are committed to ensuring all students receive a quality education

Participate in discussions and share information to support changes to meet the altering needs of students in dynamic learning environments
