

# Smart P&C solutions for school payments and ordering

Flexischools service modules give parents the flexibility to place orders and make payments for a range of school services, online at any time. Prepayment, and over the counter student card payments eliminates the need for mobile phones for in-school purchases.

**Join more than 2,100 schools already using Flexischools  
and streamline your school payments today!**

## Canteen

Australia's #1 canteen platform.

## Uniform shop

Manage orders and sales.

## Events & fundraising

Take event payments online.

## FlexiPOS

Over the counter payments.

## Our platform is safe, secure and reliable.

We hold an Australian Financial Services Licence (AFSL), regularly load test our platform, and are ISO 27001:2022 accredited.
