**CCC P&C GENERAL MEETING
FROM 7.00PM TO 9.00PM**

Central Coast Council of Parent's & Citizen's Association (CCC P&C) cordially invites members from all Central Coast P&C's to attend our next General Meeting.

Wow! What a year! Together we have remained resilient, strong, connected, and survived. Now it's time to come together face-to-face in the post-Covid environment for our last meeting for 2021 at Tuggerah where senior staff from the Central Coast Department of Education will be available to provide updates and answer questions. Tim McCallum, Executive Director Regional North, will be our special guest speaker providing an end of year summary.

Under current Covid guidelines, numbers will be restricted, and social distancing will be in place. If you wish to attend this meeting and for catering purposes, you **must** register via EMAIL to cccpancd@gmail.com by no later than 12.00 noon, **Thursday 25 November 2021**

On the night, all registered participants must check-in using the NSW COVID safe QR code at the Department's premises as well as any other sign-in requirements necessary. Evidence of your vaccination status to an authorised officer will need to be shown with only those with proof of two doses of the vaccine able to enter. COVID safe guidelines and all directives must be followed as too time constraints.

For the safety and well-being of others, if you are unwell, even with the mildest of symptoms, or isolating or considered a close contact you **must not** attend this meeting.

We look forward to seeing you on **Thursday, 2 December 2021 at Tuggerah** with our hosts providing a light end of year festive covid-safe supper. We thank the Executive Director and DEL team for their ongoing support.

Our email address is cccpancd@gmail.com for comments, questions, and correspondence.

Meet your district P&C representatives and Department of Education Senior Leadership Team

Network with interested parents who are committed to ensuring all students receive a quality education

Participate in discussions and share information to support changes to meet the altering needs of students

Connecting with schools to enhance home/school partnerships for improved student outcomes
